VILLAGE OF SCHAUMBURG

What is DART

Sponsored by the Village of Schaumburg and Pace's Suburban Bus Division, DART offers curb-to-curb public transportation that is as near as your telephone. Just call, and a bus will be routed to pick you up and take you anywhere in Schaumburg, while picking up and dropping off other passengers along the way. Service is available only within the municipal boundaries of Schaumburg.

Fares are only \$1.60 on DART, and for a low cost transfer you may travel to many parts of the Northwest Suburbs and Chicago. Some reduced fares are available, with restrictions.

Give us time to serve you better

Reservations for rides are accepted 90 minutes prior to your desired pick-up time. DART is not a fixed-route service. Routing is developed each day in response to reservations received. When planning a ride, in addition to the 90 minute advance reservation, you may be on the bus for up to 60 minutes. Be sure to plan accordingly if you must meet a specific appointment time.

Be ready for DART

The DART dispatcher will tell you when the bus is scheduled to arrive. Please be ready at least five minutes before that time, just in case the bus arrives early. The bus waits one minute for you to appear. This way you can be provided with expedient service. When boarding, please remind the driver where you are going.

Woodfield pickup

For your convenience, a telephone is located inside the lower level entrance of Woodfield Mall near Radio Shack that you may use to phone DART for a pickup. When you are almost done shopping, just pick up the phone. It dials DART automatically! Listen carefully to find out which bus to board.

Schaumburg's commuter Metra Train Station

DART provides service to Schaumburg's Metra Commuter Train Station. East and westbound Metra departures that DART can meet are listed to the right (as of 3/01/08). When departing from Schaumburg, remember that there is a 90 minute minimum advance reservation for service required, and that you may be on the bus for up to 60 minutes. Please plan accordingly. On trips returning to Schaumburg, call DART before boarding the train and request service for five minutes after the scheduled train arrival (just in case the train is running behind schedule).

PACE'S Northwest Transportation Center

The Northwest Transportation Center at the corner of Mall Drive and Kimberly Drive is DART's transfer point to fixed routes and Schaumburg's Woodfield Trolley, with other bus services. DART picks up and drops off at Bay 4. A direct dial phone to DART dispatchers is available east of Bay 4. Refer to panel at right to see routes serving the center.

Who's eligible for reduced fares?

- Persons with disabilities and senior citizens 65 or over. RTA Special User Card applications may be obtained at the Schaumburg Township office, One Illinois Blvd., Hoffman Estates, IL 60194, and at the Robert O. Atcher Municipal Center, 101 Schaumburg Court, Schaumburg, IL 60193.
- Students through Grade 12, to and from school.
- Children age 7 to 11.
- Children under 7 are free if accompanied by an adult.
