## DEAR ATIA ATTENDEES, EXHIBITORS AND SPEAKERS,

An enthusiastic welcome back to ATIA 2022. We all know how challenging the past two years have been. Our entire community has faced the challenges of this global pandemic and we are grateful to be able to be back in person. While not everyone can be with us in-person, we sincerely appreciate those who are here with us.

We have also learned a lot over the past few years. We are a resilient community and understand flexibility better today than ever before. Our 2021 Virtual Event exceeded everyone's expectations (including ours) and has set a new direction for AT online professional development which now includes the ATIA Learning Center and our virtual event as an ongoing option for those that cannot attend in person for any reason.

We also now have new options for our in-person attendees to take advantage of sessions they might otherwise never get to see. Our 2022 Virtual Event add-on offers 80+ session recordings from Orlando which will be available post-event for several months.

We know there are many choices for where and how you attend conferences and professional development. We hope your experience this year reminds you of how vibrant and connected our community is, regardless of in-person or virtual. We look forward to all the learning experiences and re-connecting that happens with ATIA 2022.

**Tara Rudnicki**

*ATIA Board  
President*

**David Dikter**

# Schedule-at-a-Glance

Pre-Conference: January 25 – 26, 2022 | Conference: January 26 – 29, 2022

## PRE-CONFERENCE

### MONDAY, JANUARY 24

4:00 P.M. – 6:00 P.M.

Registration Open

### TUESDAY, JANUARY 25

7:00 A.M. – 4:00 P.M.

Registration Open

8:00 A.M. – 4:00 P.M.

Pre-Conference Seminars

*(Lunch break from 12:00 P.M. – 1:00 P.M.)*

### WEDNESDAY, JANUARY 26

7:00 A.M. – 7:00 P.M.

Registration Open

8:00 A.M. – 4:00 P.M.

Pre-Conference Seminars

*(Lunch break from 12:00 P.M. – 1:00 P.M.)*

5:30 P.M. – 7:30 P.M.

Exhibit Hall Grand Opening

5:45 P.M. – 6:15 P.M.

Celebration of the Life of Joy Smiley Zabala

## CONFERENCE

### THURSDAY, JANUARY 27

7:00 A.M. – 5:00 P.M.

Registration Open

8:00 A.M. – 8:20 A.M.

Welcome Sessions

8:20 A.M. – 8:30 A.M.

Break

8:30 A.M. – 9:30 A.M.

Education Sessions

9:30 A.M. – 9:45 A.M.

Break

9:45 A.M. – 10:45 A.M.

Education Sessions

10:30 A.M. – 1:00 P.M.

Exhibit Hall Open / Lunch

11:30 A.M. – 12:30 P.M.

App Smackdown

1:00 P.M. – 2:00 P.M.

Education Sessions

2:00 P.M. – 5:30 P.M.

Exhibit Hall Open

2:15 P.M. – 3:15 P.M.

Education Sessions

3:00 P.M. – 5:00 P.M.

Poster Sessions

3:15 P.M. – 4:30 P.M.

Break

4:30 P.M. – 5:30 P.M.

Education Sessions

### FRIDAY, JANUARY 28

7:00 A.M. – 4:00 P.M.

Registration Open

8:00 A.M. – 8:20 A.M.

Welcome Sessions

8:20 A.M. – 8:30 A.M.

Break

8:30 A.M. – 9:30 A.M.

Education Sessions

9:30 A.M. – 9:45 A.M.

Break

9:45 A.M. – 10:45 A.M.

Education Sessions

10:30 A.M. – 1:00 P.M.

Exhibit Hall Open / Lunch

11:30 A.M. – 12:30 P.M.

## **Celebration of the Life of Joy Smiley Zabala**

**Wednesday, January 26 | 5:45 P.M.–6:15 P.M.  
Exhibit Hall**

Please join us for a celebration of the life of Joy Smiley Zabala at the opening evening of the conference. Join Colleagues, family and friends who will be sharing their memories of Joy and her amazing contributions to the field of AT. There will also be an opportunity for everyone to share their own thoughts and contribute to a Celebration of Life wall.

# General Information

For general information about ATIA 2022, please visit [atia.org/generalinformation](http://atia.org/generalinformation) or, download the ATIA mobile app.

## ATIA EDUCATION

### SESSION HANDOUTS

Session handouts are available to full conference attendees on the ATIA website at [www.atia.org/orlandohandouts](http://www.atia.org/orlandohandouts) and in the mobile app.

### SESSION EVALUATIONS

As part of ATIA's commitment to going green, we offer easy-to-access online session evaluations with a convenient link in the mobile app.

## CONFERENCE EVALUATION

A conference evaluation will be sent to you via email. Please take a moment after the conference to complete this evaluation. Your feedback is important to us and is used to improve the quality of the conference.

## CONTINUING EDUCATION UNITS (CEUs)\*

ATIA 2022 education content will include Continuing Education Units (CEUs). ATIA is an approved provider for the following CEUs: ACVREP, AOTA, ASHA, CRCC and IACET.

Please note that sessions are reviewed for specialty CEU eligibility, but not all sessions are approved for specialty CEUs.

For more information about any CEUs or their respective applications, please check out the QR code, [www.atia.org/22ceus](http://www.atia.org/22ceus), or visit the ATIA Info Desk in the Sierra Ballroom Foyer.

**For more information on CEUs scan this QR code.**

*There is a \$30 CEUs Admin fee to obtain CEUs. You may add CEUs to your registration online or at the Registration Desk.*

## Visit Our Sponsored Meeting Rooms Hosted by:

## Conference Resources

For information on conference resources, scan the QR code to access the most up to date information.

## Add the ATIA 2022 Virtual Event

We know you can't attend all of the sessions you'd like here in Orlando, so add the ATIA 2022 Virtual Event to your registration for \$149 and gain access to 100+ recorded sessions. Recordings are available through April 30, 2022, and include CEUs.

Visit the registration desk to add the Virtual Event, or visit [www.atia.org/addvirtual](http://www.atia.org/addvirtual).

# Session Strands

The ATIA 2022 education program is planned around eight strands, six primary strands and two secondary strands, that take a balanced approach to exploring the most important questions and issues facing AT professionals today. Each strand is led by invited leaders in the strand content or subject matter area and conduct a blind peer review to evaluate submissions to create the education program. View a complete description of each session strand at [atia.org/atia-2022-session-strands](https://atia.org/atia-2022-session-strands).

## PRIMARY STRANDS

### AT for Physical Access and Participation

**William E. James, OTD, MSCI, OTR/L**, Assistant Research Professor, Department of Occupational Therapy, University of Missouri; Nominated representative on Assistive Technology for AOTA

**Judith Schoonover, MEd, OTR/L, ATP, FAOTA**, AT Consultant, Representing Early Intervention & School Special Interest Section, American Occupational Therapy Association (AOTA)

**Therese Willkomm, PhD**, Director of Assistive Technology in New Hampshire, Institute on Disability at the University of New Hampshire (UNH), RESNA

#### Supporting Partners:

**Angela Standridge**, Education Specialist, Region 4 Education Service Center; Representing ASHA AAC SIG

**Carole Zangari**, Professor & Executive Director of NSU CARD Satellite, Nova Southeastern University

#### Supporting Partner:

### Education & Learning: Early Intervention – 12/Higher Education

**Kelly Fonner**, Assistive/Educational Technology Consultant & Special Educator

**Luis Pérez, Ph.D.**, Technical Assistance Specialist, National Center on Accessible Materials for Learning (AEM Center) at CAST, Representing the Inclusive Learning Network, International Society for Technology in Education

### Augmentative and Alternative Communication

**Amy Goldman**, Vice President, Financial Affairs, United States Society for AAC (USSAAC)

# Session Strands

**Carolyn P. Phillips**, Co-Director of the Center for Inclusive Design & Innovation in the College of Design at Georgia Tech; Director and Principal Investigator of Tools for Life, Georgia's AT Act Program

**Supporting Partner:**

**Rachael Sessler Trinkowsky, Ph.D., CRC, CATIS**, Technology Training and Vocational Coordinator, Lighthouse for the Blind of the Palm Beaches; Representing ACVREP

**Supporting Partner:**

## Mainstream & Web Accessible Technologies

**Mike Marotta, ATP** – AT Specialist; President, Inclusive Technology Solutions, LLC; ISTE Inclusive Learning Network's 2017 Outstanding Educator Award Recipient

## Transition and Workplace Accessibility

**Teresa Goddard**, Lead Consultant, Job Accommodation Network (JAN)

**Supporting Partner:**

## Vision and Hearing Technologies

**Carmelina Hollingsworth**, Project Director, Resource Materials and Technology

## SECONDARY STRANDS

### Leadership

**David Banes**, Director, David Banes Access and Inclusion Services UK

**Cynthia Curry**, Director of Technical Assistance, CAST

**Supporting Partner:**

### Research

**Anya Evmenova, Ph.D.**, Associate Professor in the College of Education and Human Development, George Mason University; Representing the Innovations in Special Education Technology (ISET) division of the Council for Exceptional Children (CEC)

**Lori Geist, Ph.D.**, CCC-SLP is an Assistant Professor at the Center for Literacy & Disability Studies, Department of Allied Health Sciences, School of Medicine, University of North Carolina at Chapel Hill

**Supporting Partner:**

**Lance McLemore**  
*Artist, blogger*

## 2022 Prentke AAC Distinguished Lecture

Friday, January 28 | 11:30 A.M.-12:30 P.M.  
**Caribbean III**

Join us for an inspiring lecture from Lance McLemore, artist, blogger, AAC ambassador, and the 2022 Prentke AAC Distinguished Lecturer. Lance will share his perspective on how the media often represents individuals with a disability as “objects of inspiration” rather than multidimensional human beings.

The lecture is hosted during the in-person conference in Orlando and will be live-streamed via YouTube and as part of the ATIA 2022 Virtual Event.

Sponsored by:  **prc-salttillo**

## ATIA Maker Day 2022

Saturday, January 29 | 9:00 A.M.-12:00 P.M.  
**Exhibit Hall**

Please join us in the Exhibit Hall for the opportunity to explore exciting innovations and learn from the AT maker community—comprised of high school STEM and robotics students, hobbyists and DIY electronics enthusiasts—who are interested in using their skills to create and make solutions for people with disabilities. These AT makers will share everything from low-tech solutions to modified technology solutions, and a wide range of creations that have helped solve challenges in the AT community.

# Education Program Information

Access the most up to date information about the complete education program via the mobile app or the online session directory.

Go to [www.atia.org/mobile](http://www.atia.org/mobile) for details of how to download the app. You may create your personalized schedule via the mobile app and access session handouts, evaluations and take notes.

Go to [www.atia.org/22sessions](http://www.atia.org/22sessions) for the online session directory. You use the search options to search by CEUs, delivery format (live-stream, recorded or in-person only), session title, session type (60-minute or poster) speaker name or organization, strand and topic.

# Product Demo Sessions

TIME	TITLE	COMPANY
<b>THURSDAY, JANUARY 27</b>		
11:30 A.M. – 11:50 A.M.	AAC-97: Voice Banking in 50 Sentences: Introducing Version 3 of 'My-Own-Voice'	Acapela Group
12:00 P.M. – 12:20 P.M.	EDU-67: A Discovery of HumanWare's New Intelligent Braille Displays	Humanware
12:30 P.M. – 12:50 P.M.	AAC-98: What's New From PRC-Salttillo - Products & Services	PRC-Salttillo
2:00 P.M. – 2:20 P.M.	AAC-95: Regain Your Speech and Communication Independence with APP2Speak®	APP2Speak

# New Product Releases

## Continual Engine

### Product Name: PREP (PDF and Document Remediation Platform)

PREP, an innovative artificial intelligence (AI) solution, accelerates PDF and document remediation through a highly intuitive user interface (UI). PREP enables scalable remediation for PDFs, scanned pages, Word and other formats for complete compliance against Section 508/WCAG/ADA guidelines and screen reader accessibility.

PREP easily handles complex formats and structures like lists, tables, and STEM documents including automating alt text generation for Math. Visit our website to request a demo and free trial.

## Smartbox

### Smartbox Assistive Technology

Booth 713

Product Name: Lumin-i

Introducing new eye gaze technology! Lumin-i is a powerful and precise eye tracker created by Smartbox.

This is the first eye tracker developed with Smart Eye technology for AAC. It's effective and reliable both indoors and out.

Lumin-i is incredibly responsive and has a large track box that tolerates a wide range of head movements and positions. Lumin-i also offers a unique anti-reflection mode to help users who wear corrective glasses with coatings or filters.

## Notes

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
