Service Animals are welcome at Orlando World Center Marriott

For your convenience, designated areas have been identified around the resort as Service Animal Relief Areas. Should you require assistance getting to one of these designated areas, please let a member of our staff know.

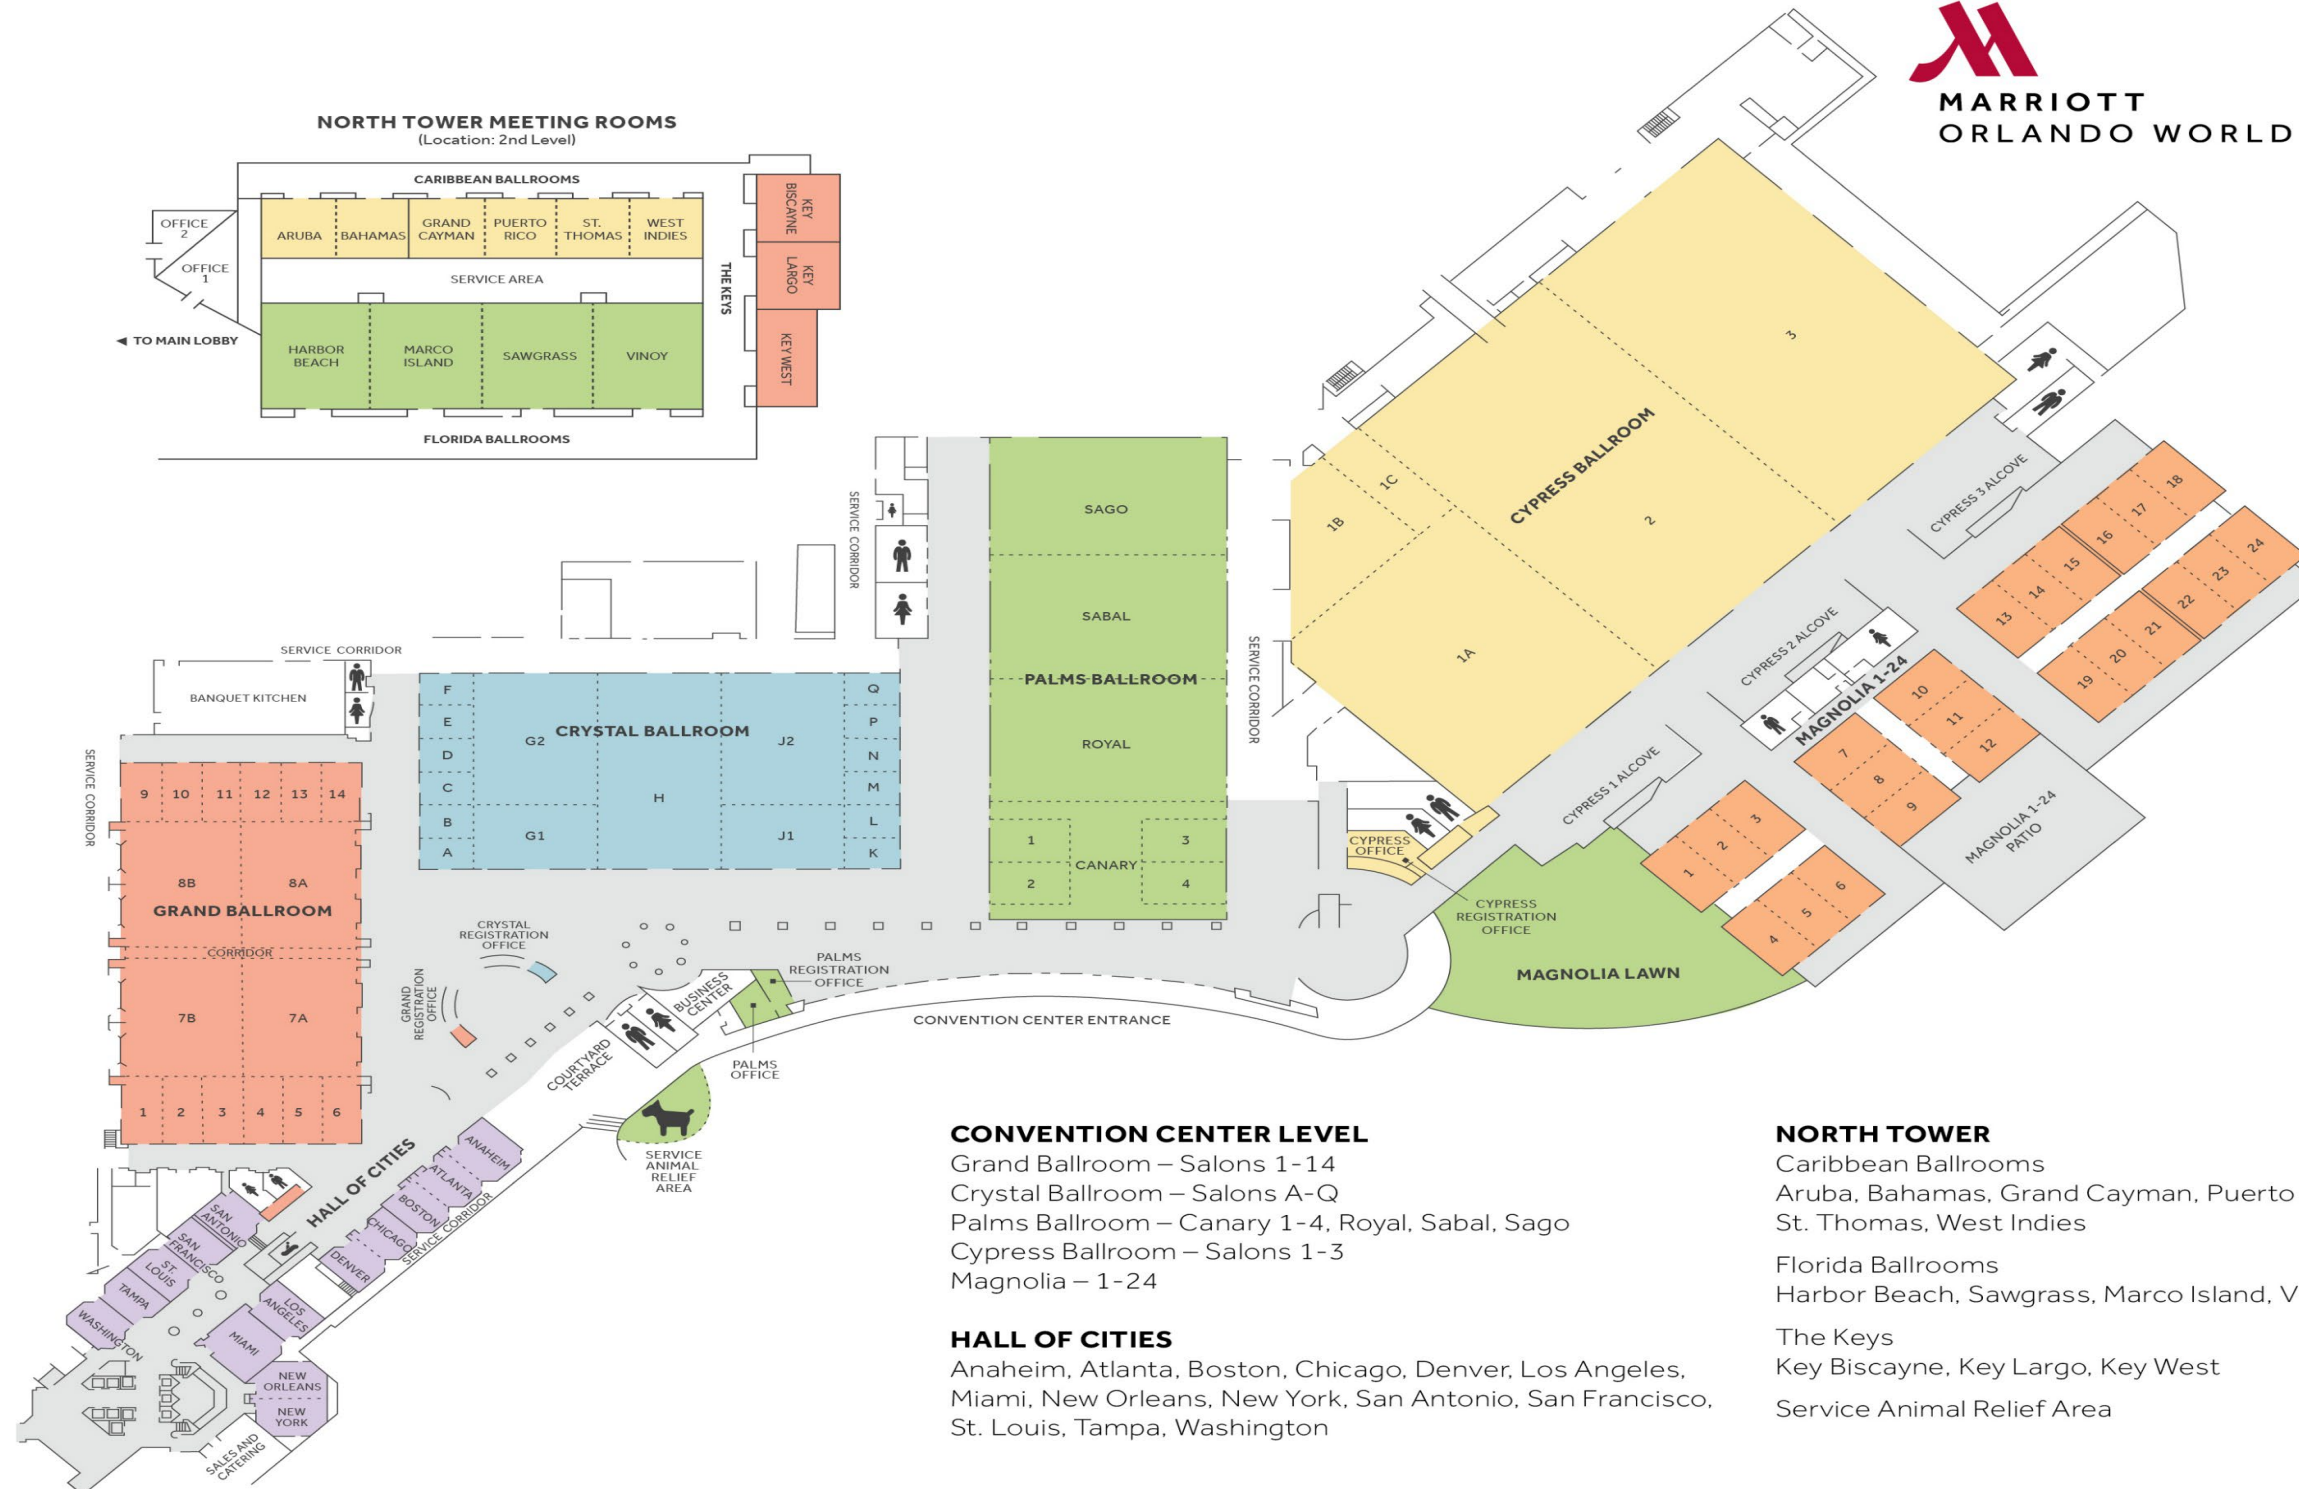

We also ask that the below guidelines are followed during your stay.

- The animal MUST always be with its handler.
- The animal must be housebroken.
- The animal must be harnessed, leashed, or tethered when in the hotel's public space areas.

Guest may be asked to remove a service animal from the hotel if the above guidelines are not followed. Additionally, a fee will apply if the service animal causes damage to the hotel's property.

As a reminder, a service animal is defined by the ADA as dogs that are individually trained to do work or perform tasks for people with disabilities.

Comfort or emotional support animals are not recognized by the ADA and therefore prohibited at the resort.
